**St. Anthony Renovation Q & A Corner**

**Q: If the church is not available for Mass on a weekend, where will Mass be celebrated?**

A. There are options. Mass could be offered in the basement as it was during the church building process. Mass could possibly be held in church with folding chairs. Additional Masses could be celebrated at St. Patrick's.

**Q: Is there any interest in our old pews?**

A. They have been listed on Craig's list with pews from other churches. Eight other churches have an assortment of pews for purchase, but smaller quantities. St. Anthony pews have gotten no bids. The parish knows the wood used in the old pews was expensive but they have no buyer and no place to store them. If anyone is interested, they may put in a bid at the office. Then the buyer would need to be at church with a trailer on January 23 (tentative date) to haul them away.

**Q: Have you seen the ceramic tile in the front entryway?**

A: Yes, it's very nice, and won't fade like the carpet was there. And the non-skid rug helps keep it safe.

Total Pledged: \$51,513.55
